Basic Instruction Guide	

What is it?

The Silhouette CAMEO® is an electronic cutting tool for personal use. Like a home printer, it plugs into your PC or MAC® with a simple USB cable. However, instead of printing, the CAMEO uses a small blade to cut your designs into a wide array of materials.

Cut fonts already installed on your computer

No expensive cartridges to buy and store—only purchase the individual designs you want

Print full-color images on your home printer and cut them out with your CAMEO

Silhouette Studio® design software included

Download new designs anytime from the Silhouette Online Store

Adjustable rollers allow you to use different cutting mat sizes and a variety of materials

Easily adjust your designs and text to cut as small as 1/4" and up to 12" wide and 10 feet long

Cut a variety of crafting materials from vinyl to fabric to cardstock

Replace your blade holder with a Silhouette sketch pen to sketch digital designs

Included in the box:
