

Pinball parts for sale

Everything has come out of a widebody Gottlieb Roller Disco Solid State System 1.
To get an idea of this machine, see <http://www.ipdb.org/machine.cgi?gid=2005>

Email your order to me at bossninja17@gmail.com as my son John (Bossninja Jrn) will be managing the sales. First in, first served by time emails received. Pick up from my place (Epping, NSW). Anything that can be posted, I will do for the cost of postage if you like. I don't do Paypal. Pay by either bank (bsb) direct deposit or cash on pickup.
